

**US JSPS Fellows Alumni Association**  
**7<sup>th</sup> Multidisciplinary Science Forum**

**Call for Applications to Host the 7<sup>th</sup> Multidisciplinary Science Forum**

The US JSPS Fellows Alumni Association Executive Committee (the EC) invites all Alumni Association members to consider serving as the host and co-organizer of the 7<sup>th</sup> Multidisciplinary Science Forum (MSF).

The Host Alumni Association Fellow(s) will assist the Executive Committee in coordinating the venue at his/her host institution (University, Research Laboratory, and etc.). Details of the schedule (date and duration, and etc.) will be determined through consultations among the Host Fellow, the EC and JSPS Washington Office.

The MSF will be held in conjunction with the General Assembly, which will convene on the following day. Number of participants is expected to be between 50 to 100. The MSF format is typically a single track of oral presentations, along with poster presentations.

JSPS Washington Office prefers to have the Forum in early November, 2016, but the date is negotiable.

If you are interested in becoming the Host Fellow for the 7<sup>th</sup> MSF, please fill the attached application form and email it to [us-alumni@jpsusa.org](mailto:us-alumni@jpsusa.org) by September 15th, 2015. Tentative applications are also welcome.

The venue will be announced at the General Assembly on November 7, 2015, immediately following the 6<sup>th</sup> MSF.

If you have any questions please contact the Executive Committee (EC).

Thank you,

Executive Committee  
of the JSPS US Fellows Alumni Association
